To Sir Edward Bysshe, Kt., Clarenceux King of Armes.

This is to certify that William Turbervill, late of Cirencester in the County of Gloucester, Grandfather to William Turbervill, now of Bray in the County of Berks, was constantly and assuredly reputed by myself and my father to be a branch of our family by a younger son, though I cannot directly express of what younger son he is descended; to the end, therefore, that the memory of himself and his descendants may be henceforth better preserved, my earnest request is that he may be allowed to bear the arms of our family with such a distinction as you shall think most proper, and without doing wrong to any others of our house. In witness whereof I have hercunto subscribed my name and put to my seal of arms the eight and twentieth day of March in the year of our Lord 1665.
